## OXFORD QUICK FACTS:

### Strategic Location

Area manufacturers enjoy access to five NAFTA corridors and six Canada/USA border crossings. Reach 130 million consumers in just one day's shipping.

### Competitive Business Costs

33% lower employer health care costs, compared to U.S. Exchange on Canadian dollar contributes up to 25% added cost advantage.

### 500,000 Skilled Workers

Recruit your world class staff from our rich regional workforce of over 500,000.

### Over \$2 Billion Invested

Over \$2 billion in private sector investment in plant and equipment in the last five years.

### Manufacturing Thrives Here

Our strategic advantages enable manufacturers in key sectors to outperform competitors located in other parts of the province.

**QUICK FACTS:****Size Area:**

19.7 sq. mi/

50.9 sq. km

**Population:** 46,705**Workforce:** 23,330**Key Industries:** Automotive Parts & Transportation, Equipment, Tool & Die/Machining, Agri-Food, Textiles**Website:** [www.cometothecrossroads.com](http://www.cometothecrossroads.com)**Woodstock – Built for Business**

Woodstock is the regional commercial centre for Oxford County and is central to a population of 800,000 people within a 30 minute drive and nearly 2 million people within a one hour drive. Situated at the intersection of Highways 401 and 403, a Woodstock location provides access to five US-Canada border crossings within a 2-hour drive. All of the services and amenities expected of a medium-sized Canadian city can be found in Woodstock, providing a quality of life that is second to none.

**Excellent Opportunities Still Available**

With recent major investors like Toyota, Sysco Canada, Toyota Boshoku and SOPREMA all choosing Woodstock – this is the place to be! There are still excellent opportunities available in a variety of municipal and privately owned industrial business parks and existing buildings.

**Website:** [www.tillsonburg.ca](http://www.tillsonburg.ca)**Tillsonburg – Connected. Enriched. Inspired.**

Tillsonburg is located in the heart of the globally competitive advanced manufacturing region of Southwestern Ontario. With low business costs, a knowledge based economy and a strategic location between Toronto and Detroit as well as 3 major border crossings, Tillsonburg offers key access to Canada's largest market as well as the US Northeast and Midwest. Tillsonburg Economic Development works to promote trade and investment in the Greater Tillsonburg Area.

**Strategic Location**

Our strategic location provides direct access through Highways 3 and 19 to Highways 401, 402, and 403 and our two short line railways provide connections to both CN and CP Railways. The Tillsonburg Regional Airport can be used for those important and urgent shipments by air.

**Competitive Advantages**

Tillsonburg offers a skilled workforce with a strong, rural work ethic, a diverse group of businesses including a number of multi-national companies, attractive land prices, no local or County industrial development charges, and low industrial property taxes.

**QUICK FACTS:****Size Area:**
